GENERAL PRESETS

SE10 Regency

Easy play is the Lowrey way and the Regency makes sounding good as simple as pressing a button. **Rhythm Preset** provides five different and complete set ups for each rhythm style. For example, if you like country, just press the blue **Country** button and the entire organ is set up with a great country sound. Reach up and press the **#1** button to get a different country sound. Buttons **#2 - #4** offer three more country sounds from which to choose. Talk about musical variety: 14 different rhythm styles, each with five complete rhythm presets each, provide 70 complete set ups. Add the flexibility of **Basic, Genie, and Orch Plus**, which let you choose how much rhythm style you want, and you have many easy-to-use music-making choices.

Not only does the Lowrey Regency give you more music-making

choices, with all the easy-play features you've come to expect from Lowrey, the Regency features a natural wood cabinet in a gorgeous walnut finish.

The **Song Set Up** button gives you 50 more complete sound set ups, including a rhythm style. Press the song set up button, scroll to the title you want, then press enter. The Regency is set up with a great sound and ready to be played.

A Lifetime of Music Making!

Lowrey, and its family of Lowrey Magic class providers, offers adult-only group classes and a complete line of great-sounding, easy-play instruments to keep you active in your recreational Music Making hobby for an entire lifetime.
